

Kelleys Island Landowners Association

PO Box 22, Kelleys Island, OH 43438

All KILA members

KILA is alive & well. Here are some highlights from 2023:

- KILA has 228 active members, down from 315 in 2021, but up from 178 in 2022.
- 21 new members in 2023
- 2023 was an active year for KILA.
 - The season started with a welcome back pot luck in May with over 50 members & guests.
 - Homecoming was a rousing success in spite of wind & rain storms. The Friday fish fry was sold out (200 dinners). Saturday was very busy; beer and food sold out as well. The parade had 2 high school marching bands and several "floats". We had the Pie contest (21 entries), kid's games, and the 1st annual corn hole tournament. 12 vendors and Back to the Wild added to the event.
 - Fundraising was moderately successful. The silent auction raised over \$2000. The raffle raised almost \$5000, but fewer than 400 of the 600 tickets were sold. (Last year we sold all 600).
- Through our fundraising in 2022 and this year, KILA donated \$31,000 toward the Community Park Playground project. Between donations and grants, the playground project has about \$140,000.
- The 2022 Hayride in October had over 400 guests. This year's Hayride will be on October 14th at 3 PM at the 4H Camp. Everyone is welcome.
- Today, at 1 PM, we host the "Candidates' Forum. This year it will be an open forum since all candidates are unopposed. Please come to hear about village plans and for Q&A with the Mayor and village officials.

We are looking forward to a great 2024. Remember, KILA is only successful with everyone's help. We encourage your participation in running our association by serving on the board as a director, on a committee, or at any of our activities. And thanks again to each and every member, donor, volunteer and board member for our continued success.

Drew Algase, Vice President
Chris Arnold, President
